UNIFORM PUBLIC OFFENSE CODE
FOR
KANSAS CITIES

The League of Kansas Municipalities has published the *Uniform Public Offense Code* since 1980. The *Uniform Public Offense Code* is designed to provide a comprehensive public offense ordinance for Kansas cities. It does not take effect in a city until the governing body has passed and published an ordinance incorporating it by reference under the authority of and by the procedure prescribed by K.S.A. 12-3009 through 12-3012 and K.S.A. 12-3301 and 12-3302.

It is not necessary to publish the *Uniform Public Offense Code* in a newspaper if it is properly incorporated by reference. It is only necessary to publish the incorporating ordinance. The incorporating ordinance may delete articles or sections that the governing body considers unnecessary. The incorporating ordinance may also change sections. LKM advises, however, that cities changing sections with a statutory citation should exercise care to ensure the changes do not conflict with state law.

The *Uniform Public Offense Code*, in large part, parallels the state criminal code. Additional provisions for local regulations, if any, may be included in the incorporating ordinance. Previous ordinances relating to public offenses in conflict with provisions of the *Uniform Public Offense Code* and ordinances incorporating earlier editions of the *Uniform Public Offense Code* should be repealed by the incorporating ordinance.

There must be at least one official copy of the *Uniform Public Offense Code* on file with the city clerk. Enforcing officers should also have copies. The blanks on the first page should be filled in on all copies.

There are several blank pages at the end of this book. Newspaper clippings of the incorporating ordinance and subsequent ordinances on public offenses may be pasted on these pages. Extra copies of the newspaper should be procured or reprints made so that copies may be pasted in all copies of the *Uniform Public Offense Code*.

A listing of changes in the *Uniform Public Offense Code*, 2013 edition, which appear in the 2014 edition of the *Uniform Public Offense Code*, can be found on pages 130 to 133 of this edition.
