Office of the City Administrator

City Hall 321 S. Delaware Tonganoxie, Kansas 66086 (913) 845-2620 www.tonganoxie.org

DATE: August 25, 201**5**

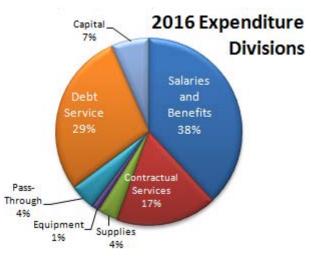

To: Honorable Mayor Jason K. Ward and Members of the City Council

Subject: Fiscal Year 2016 Adopted Budget

The Adopted Budget for Fiscal Year 2016 anticipates total expenditures of \$6,705,309. This is a planned decrease of \$142,770, or 2.1%, from the Fiscal Year 2015 Adopted Budget and \$894,879, or 11.8%, less than actual expenditures at the close of Fiscal Year 2014. Moreover, the FY 2016 Budget is structurally balanced.

Prominent changes from the FY 2015 Budget include planned reductions in funding for equipment and capital improvements while planning for increases in health insurance, workers compensation, and debt service. Planned general obligation debt payments collectively will increase from Fiscal Year 2015 and continue to be paid by the three-quarter percent city sales tax, the one-percent county sales tax, property taxes, and the motor vehicle tax.

When adjusted without capital expenditures and debt service, general municipal operating expenditures are planned to decrease by \$149,355 or 3.6%. Since the preparation of the FY 2014 Budget, the city council has committed to its financial plan for a strong credit rating, which primarily targets improvements to cash reserves, and this FY 2016 Budget continues that commitment. Merit raises for employees are fully funded. No change to the net number of personnel positions is planned in FY 2016, yet the city council agreed to fund the conversion of one Police Officer position to a Police Sergeant position. Council members also agreed to continue the policy of replacing one police patrol vehicle each year.

In FY 2016, the General Fund plans to reserve \$404,410 in its fund balance to reinforce a strong credit rating.

DIVISION OF RESPONSIBILITIES

The City of Tonganoxie is organized by a mayor-council form of government. Five city council members plus a mayor are elected at large. The city council members serve during two public meetings per month and vote

on matters of policy. The mayor is the chair of public meetings and represents the governing body publicly. The mayor may only vote to break a tie.

The executive team is comprised of the city administrator and five department directors, which are unclassified positions and are exempt from the provisions of the Fair Labor Standards Act. The city administrator provides professional leadership over all municipal services, advises city council on policy and public processes, ensures prudent fiscal management, and promotes good relations with the public and media.

In the following pages are budget allocations by department with the respective funds that support them. The Public Works Department includes all streets and traffic maintenance, water supply, and wastewater treatment. The Police Department provides patrol, investigations, and student resourcing in the school district. The Fire Department provides fire suppression, investigations, and inspections. The Water Park is a state-of-the-art, zero-point-entry facility with secure lockers, bath houses, concessions, and a super slide while hosting public swimming, private lessons, and tournaments. The Administration Department resides in city hall and delivers internal support to the other departments, provides staffing to the municipal court, manages finances, coordinates human resources, and processes utility billing, responds to calls from the public, and manages public records.

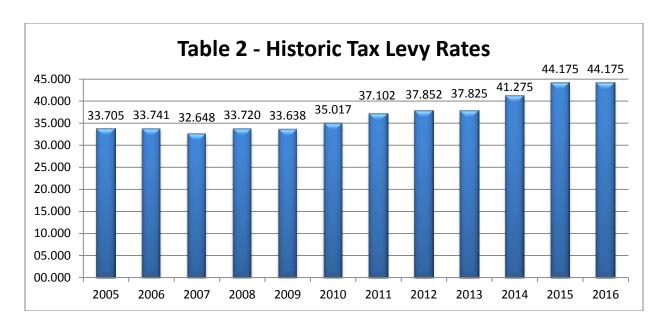

A portion equal to 5.95 mills of the tax levy is collected and passed on to the Tonganoxie Library for operations and 0.98 mills for library employee benefits. While both the revenues and expenditures appear on the municipal ledger, the city council exercises no authority over the library's budget or operations. An independent board determines policy for the library and hires the library director, who manages the budget.

BURDEN ON THE TAX PAYER

With the adoption of the FY 2016 Budget, the municipal tax levy will remain unchanged at 44.175 mills. While considering a variety of expensive improvements to services and facilities, the city council committed to modest budget adjustments that would not raise property taxes. Table 1 below shows the current taxation on residential property owners. Commercial properties are taxed at slightly more than twice the rate of residential properties.

| Table 1 – 44.175 Mills | | | | | | | |
|------------------------|---------------------|--------------------|--|--|--|--|--|
| Property Value | Monthly Cost | Annual Cost | | | | | |
| \$200,000 | \$126.99 | \$1,016.02 | | | | | |
| \$150,000 | \$63.50 | \$762.02 | | | | | |
| \$100,000 | \$42.33 | \$508.01 | | | | | |

Table 2 on the following page illustrates the ad valorem tax rate in mills over twelve years. Since 2005, the property tax rate has increased by 10.470 mills. Changes occurred in later years during the downturn in the regional economy in order to provide consistent levels of basic municipal services.

The overall assessed valuation of Tonganoxie is \$35,465,213, which is \$397,429 or 1.1% more than the prior year. The assessed valuation of Leavenworth County is \$598,088,758, which is \$19,864,239 or 3.4% more than last year. The territory within Unified School District 464 also increased by \$3,757,687 or 4.4%, for a total valuation of \$90,068,292. Not since 2009 have all three taxing jurisdictions simultaneously experienced improved valuations.

Consistent with the city council's policy to keep pace with inflationary costs, the FY 2016 Budget plans for three percent (3.0%) increases for water and sewer utilities. The net change to what utility customers may pay can be estimated compared to Table 3 below.

| Table 3 – Water and Sewer Charges | | | | | | | |
|-----------------------------------|-------------------|-------------------|--|--|--|--|--|
| Usage 2015 Charge 2016 Charge | | | | | | | |
| Minimum User | \$27.60 per month | \$28.43 per month | | | | | |
| 4,000 Gallons User | \$56.73 per month | \$58.43 per month | | | | | |

In addition, to adapt for an increase in annual sewer debt payments, this FY 2016 Budget plans for a \$2.00 increase to the debt fee on utility bills. The fee is planned to change from \$9.50 to \$11.50. Even with these increases, basic living costs in Tonganoxie remain regionally competitive, which supports the commitment of the city council to maintain an affordable cost of living and preserve Tonganoxie's attractiveness to home buyers and new business investors.

ECONOMICS

The total city valuation will increase only slightly in Fiscal Year 2016 and nearly follow inflation. The regional average consumer price index, from January 2014 to January 2015, increased by 0.2 percent as reported by the Federal Department of Labor, Bureau of Labor Statistics, and is the smallest gain since semi-annual reporting began in 1984. Food prices rose 2.3 percent, which was the most of any category. Energy prices rose 0.9 percent. Shelter costs advanced 0.9 percent. Prices for recreation and other goods and services rose 0.7 and 0.4 percent, respectively, over the year. In contrast, the index for education and communication declined 2.3 percent, medical care costs decreased 1.2 percent, and prices for apparel were down 1.4 percent from the first half of 2014 to the first half of 2015.

With the city sales tax revenues also projected to remain flat, both the sales tax and ad valorem tax levy have struggled to bare the demands of some increasing costs. As examples, key fixed costs that are budgeted to increase in 2016 are health insurance premiums, workers compensation, retirement contributions, software licensing, and construction supplies.

More businesses are taking a second look at Tonganoxie as a place to invest. Others might be encouraged by business investment and buy a home in town. We are seeing beginning signs that new activity may promise a broader tax base and financial improvement for FY 2017.

GENERAL MUNICIPAL SERVICES

A fundamental framework of local government services provides 1) infrastructure 2) safety 3) regulation and 4) promotion. These essentials are the subject of debate by elected representatives and most often generate the question, "How much?" with respect to each category. The FY 2016 Budget is the result of that public discussion in Tonganoxie.

The resources that support general municipal services include the ad valorem tax, sales tax, use tax, franchise fee, application fee, permit fee, court fine, water park user fee, water supply service charge, and wastewater service charge.

The funds that support general municipal services are subdivided by the departments that provide them. The divisions of work are listed as follows.

| Fund Name | Department Name | Service |
|------------------|------------------------|----------------------------------|
| General | Public Works | Streets and Traffic |
| General | Police | Law Enforcement |
| General | Police/Administration | Codes Compliance |
| General | Fire | Fire Suppression |
| General | Fire | Emergency Medical Response |
| General/Water | Administration | Finance and Billing |
| General | Administration | Municipal Court |
| General | Water Park | Water Recreation |
| Water Operations | Public Works | Water Treatment and Supply |
| Sewer Operations | Public Works | Wastewater Treatment and Removal |
| Special Parks | Public Works | Parks Maintenance |

As always, staff will remain closely attentive to financial progress through the year and adapt spending to provide high-quality services within the available resources. Management continually works toward the goals of providing services that effectively respond to public values and efficiently managing resources to maximize each tax dollar.

DEBT

During the rapid expansion years from 2000 through 2009, the city council carefully considered the pending need to prepare the community to welcome new development and enhance the quality of life. Capacity and redundancy were limited in water supply and wastewater treatment services. Bond issuances for both services provided the opportunity to double the capacity. Other bond issuances added a new downtown streetscape, a public works facility, and the Tonganoxie Water Park. Because of these significant improvements and others, the community is prepared to attract and serve new businesses and residents.

Planned debt service payments in Fiscal Year 2016 comprise 29% of all expenditures. The FY 2016 Budget distinguishes four types of debt obligations: bonded debt, inter-local obligations, lease-purchase payments, and loans. In 2014, all loans were refunded by a new issuance of bonds, which eliminated loan payments for FY 2015 and FY 2016.

The primary fund to service bonded debt is the Debt, Bond, and Interest Fund, and its sole revenue source is the property (ad valorem) tax levy in an amount equal to 9.390 mills. This amount is supplemented by dedicated municipal sales tax for the Water Park debt, county sales tax, and the motor vehicle fuel excise tax.

An inter-local agreement with Leavenworth County obligates the City of Tonganoxie in the amount of \$100,000 per year for ten percent of the shared repayment of the construction costs of County Road 1, which is located north of the turnpike exit at Interstate Highway 70 to US 24-40 Highway. The sole revenue source for this debt payment has been the county sales tax. In 2019, the agreement requires a final payment of \$500,000, and the FY 2016 Budget does not prepare for that payment.

Further detail of individual debt service may be found on the Debt Service page in the budget pages and also in Attachment D.

CAPITAL

In consideration of options to seek a bigger city hall and police station, the city council agreed to pursue options without raising the real property tax levy. From existing budget levels, a combination from the Capital Projects Fund and the General Fund is committed for up to \$104,600 in new annual debt service payments. However, using this entire amount would leave negligible flexibility for the city council to fund small capital needs that typically arise each year.

While the city council has provided prioritization on a list of capital improvements, at this time, limited funding is available to allocate. Using matching state and federal grants would typically cost the City approximately 30.0% of total project cost. Estimated available revenue in Fiscal Year 2016 is approximately \$50,000 from the **Capital Projects Fund**. The primary revenue source for new capital improvements has been the county sales tax, which is wholly deposited in the Capital Projects Fund.

A separate Capital Reserve Fund is also available for this type of expenditure, but it has no regular revenue source and completely depends on special receipts and transfers from other funds.

Street maintenance has mostly been funded by the motor fuel excise tax and the construction excise tax, which are wholly deposited in the **Special Highway Fund**. Given the decline in development projects in recent years, very little construction excise tax has been collected. Thus, funding for annual street repairs has been mostly limited to only what the motor fuel tax can support. In the Special Highway Fund, the FY 2016 Budget appropriates just over \$124,000 for annual street repair projects.

The **Fire Capital Reserve Fund** receives revenue from a \$3.00 surcharge on utility bills and has historically been devoted to equipment for the Fire Department. In 2015, this fund paid for final finishes to the new addition to the fire station. In addition, this fund allowed for the purchase of a new grass fire suppression pump and sprayer.

The **Police Capital Reserve Fund** receives \$10.00 from every conviction in municipal court, which is an amount that is part of normal court fines. In addition, forfeitures and the sale of equipment generate occasional revenue. Expenditures typically pay for specialized police equipment and arms.

Whenever there may be financial capacity and political will, the **General Fund** can be another source for capital expenditures. The city council committed \$54,600 for facilities in FY 2016.

The **Water Capital Reserve Fund** receives the water tap fee as its revenue source and relies on transfers from the Water Operations Fund. Expenditures typically have paid for water main line repairs and maintenance of the water supply plant.

The **Sewer Capital Reserve Fund** receives the sewer tap fee as its revenue source and relies on transfers from the Sewer Operations Fund. Expenditures typically have paid for sewer main repairs, maintenance of the wastewater treatment plant, and infiltration relief. The FY 2016 Budget appropriates \$60,000.

Further detail may be found on the Capital page in the budget pages that follow.

CONTINUED COMMITMENTS

The FY 2016 Budget contemplates no new programs or partnerships. However, the city council remains committed to historical pledges, such as the following:

| Chamber of Commerce | \$ | 5,000 |
|--|----|--------|
| Leavenworth County Development Corporation | | 7,499 |
| League of Kansas Municipalities | | 2,222 |
| Retail Commercial Development Committee | | 2,500 |
| Public Events | | 7,500 |
| | Ś | 24.721 |

ANALYSIS OF OPERATIONS

The electrical controls for the water supply plant are very old and demand significant electricity. In present condition, the water supply mechanical system works as designed and has caused no critical concern about performance. However, the controls are obsolete and cause some inefficiency. Staff has been researching options to replace these controls with electronic ones. This replacement would regulate electrical consumption more efficiently, and the electrical cost savings should more than pay for the purchase.

With the implementation of the Affordable Health Care Act, insurance advisors find it very difficult to determine the projected impact, if any, on health insurance premiums. The FY 2016 Budget adds 10.0% to current appropriation as a buffer for the unknown.

While the FY 2016 Budget devotes \$35,000 for the purchase of one police patrol vehicle, it has no continuing vehicle replacement plan. A typical replacement plan would calculate the usable life of the fleet and allocate a pro-rata share annually in successive budgets to be able to afford the replacements needed in each given year.

The City of Tonganoxie does not participate in a high-risk pension plan for police and fire personnel, while most neighboring jurisdictions do. The unique plan is designed in recognition of the physically demanding nature of public safety and the need to recruit and retain youthful personnel. Public safety personnel of the City of Tonganoxie participate in the Kansas Public Employee Retirement System (KPERS) along with all other full-time employees.

Within two years, the Fire Department will need to replace fire hose and other expensive fire suppression equipment. Some items can qualify for grants, and staff will pursue as many grant options as available. Debt

service on fire radios and vehicles will end in FY 2017, which will increase financial capacity in the Fire Equipment Reserve Fund in FY 2018.

The FY 2016 puts the City of Tonganoxie in a position to help future budgets plan for the long term for operations, capital, and debt retirement. Planned reserves have strengthened the City's capacity to qualify for financing, leverage grant opportunities, and reserve a contingency for emergencies.

Training is a central tool for developing personnel, the City's greatest expenditure. Some funding has been allocated for essential training, such as police and fire academies, water supply and sewer certifications, and continuing education for managers. Staff actively seeks low-cost and no-cost options for additional training. A well trained workforce serves the community most effectively.

THIS BUDGET BOOK

The following budget pages report anticipated revenues and expenditures net of inter-fund transfers. For gross reporting that includes inter-fund transfers, refer to Attachment E.

The Fiscal Year 2016 Adopted Budget is prepared to provide financial stability, affirm the delivery of services, satisfy planned debt obligations, and anticipate the subsequent fiscal year. The sequence of budget information is shown from the most general in the budget pages to detail in the attachments. Information is reported by how municipal service is delivered, which is through its employees. Only debt and capital are separated from the department because of their unique, complex, and large financial composition. Both are managed by the Administration Department.

Thank you for the pleasure of serving the citizens of Tonganoxie.

Respectfully submitted,

Nathan D. McCommon City Administrator

cc: Jamie Shockley, Assistant City Administrator

Kent Heskett, Public Works Director Jeffery J. Brandau, Police Chief

Jack Holcom, Fire Chief

Darren Shupe, Water Park Director

Budget Highlights

Property taxes include real estate taxes, various vehicle taxes, and other large personal property taxes. The City Council agreed to no increase to the property tax levy in 2016.

Charges for service includes water, sewer, and sanitation charges. The City Council agreed to a standard 3% increase to water and sewer charges in 2016, as well as a \$2.00 debt surcharge on sewer bills to help pay for an increased sewer debt payment.

Franchise fees include fees collected from utility companies doing business and using infrastructure in Tonganoxie. The 2016 budget includes increasing the gas franchise fee from 4% to 5%.

Other revenues include reimbursed expenses, open records requests, and debt surcharges.

Total \$

Budget Inclusions

Sanitation

Transient Guest Tax

Included in the preliminary 2016 administration budget are employee raises. Additional funding is also allocated for probation services, as those costs are expected to rise in 2016. The \$54,600 that was set aside in 2015 for facilities and equipment has been moved to the Capital Improvements budget page.

Administration

The Administration Department provides executive leadership and administrative support for all departments and services for the implementation of the policies of the mayor and city council.

The base Administration budget maintains funding for the City Council's following priorities:

| Chamber of Commerce | \$ 5,000 |
|--|--------------|
| Leavenworth County Development Corporation | 7,499 |
| League of Kansas Muncipalities | 2,222 |
| Retail Commercial Development Committee | 2,500 |
| Public Events | 7,500 |
| | \$ 24.721 |

The Administration budget plans expenditures for the following essential contractual services:

| | _ | |
|------------------------|----|---------|
| Legal counsel | \$ | 28,500 |
| City planning | | 25,000 |
| City engineering | | 7,000 |
| Auditing | | 8,466 |
| Animal control | | 26,362 |
| Information technology | | 12,000 |
| Payroll Services | | 5,000 |
| | \$ | 112,328 |

Administration Overview

For budgeting purposes, this Administration Department page includes several divisions or programs that are managed from city hall. The Assistant City Administrator serves as the Director of Administration. In addition, the City relies on professionals hired on a contractual basis to perform many of these tasks due to lower-than-full-time demand. City engineering, legal services, planning and zoning, information technology, and animal control all rely on contracted specialists to perform these tasks.

Administration uses existing staff to perform the functions of human resources, finance, muncipal court, building inspection, code enforcement, utility billing, and customer service. These employees also provide nearly all administrative support for every department. City hall staff also provides support for city planning, public records, accounts management plus requests for licenses and permits, special events, vendor registration, and more.

Fire Department

The Fire Department provides emergency medical and fire suppression services to Tonganoxie residents and their neighbors. All personnel are certified EMT's and apparatus operators.

Budget Inclusions

Personal Services reflects employee raises and increases in pension and health insurance. The Fire Department budget also includes \$6,840 for equipment purchases.

Note: The inclusion of the Fire Capital Reserve Fund only includes expenditures for operational equipment and not debt service or capital expenditures, which are reported on their respective budget pages.

Police Department

The police department employs a fully trained and accredited law enforcement team for the overall service to and safety of the citizens of Tonganoxie.

Budget Inclusions

Personal Services reflects an increase for merit raises and pension.

Council agreed to fund a police sergeant position in replacement of a police officer position.

Equipment provides for City Council's policy to replace one patrol vehicle annually.

Public Works Department

The Public Works Department provides overall care of municipal infrastructure, buildings, and equipment as well as operating the water supply facility and the wastewater treatment plant. In addition, this department administers capital improvement projects.

- Public Infrastructure Maintenance
- Water Supply

- Municipal Garage
- Wastewater Treatment

| To | otal \$ | 1,797,577 | \$ 1,787,484 | \$ 1,915,886 |

Budget Inclusions

All debt service payments are on schedule as planned and fully-funded. The following page lists every debt by type and issuance, and further detail is provided in Schedule D.

Debt that is supported by the Water Park Sales Tax, Capital Projects Fund, and Special Highway Fund is paid out from the Debt, Bond, and Interest Fund by way of inter-fund transfers.

The FY 2016 Budget dedicates \$392,348 of ad valorem taxes to debt payments, which is 20.5% of the City's total 2016 debt payments

2016 Adopted Budget

Budget Highlights

The Capital Budget plans no increases in 2016. Council agreed to set aside \$50,000 for the purchase of new financial management software and agreed to committ \$104,600 to put toward facilities. \$51,116 of unallocated funding in the Capital Projects fund has also been set aside.

Capital

The budget for capital expenditures reports the total amount that the city council plans to commit for the fiscal year. Matching funding amounts from other sources, such as reimbursements that are administered by the State of Kansas, are not reflected in these municipal budget commitments.

ATTACHMENTA ORIGINAL ATTACHMENTA ATTACHME

Ad Valorem Taxes: Real estate property taxes collected by the county. These revenues are

recognized in the General Fund (24.524 mills) for general municipal

operations, the Library Fund (7.541 mills) for general library operations, and

the Debt, Bond, and Interest Fund (9.438 mills) for municipal debt

payments.

Alcohol Tax: This tax is remitted by merchants to the state on the sales of packaged

alcohol, beer, and wine. Funds are allocated based on population state-wide and distributed quarterly. Half is deposited in the Special Parks Fund and half is deposited in the Special Parks and Recreation Fund for improvements

to City parkland.

Appropriation: The official act of authorizing a budget or part of a budget.

Capital Projects Fund: A distinct fund of City accounts that is dedicated to capital improvement

projects, including debt service for capital improvements. The county sales

tax provides the revenue for this fund.

Capital Reserve Fund: This fund provides reserve funding for any capital work. Funding is provided

by special receipts and transfers from other funds.

Debt Service Charge: A monthly surcharge of \$9.50 on all municipal utility accounts to assist in

covering the debt payments on utility infrastructure improvements.

Debt, Bond & Interest

Fund:

This fund covers the payment of general obligation debt, lease payments for

City vehicles and equipment and the City's commitment to inter-local agreements with the Wholesale Water District no. 6 and Leavenworth

County. Ad-valorem taxes provide the sole revenue for this fund.

Employee Benefits Fund: This is a distinct fund of City accounts that consolidates the employer's

payment share of insurance benefits, payroll taxes, and workman's

compensation payments. Effective FY 2014, the Employee Benefits Fund is defunded and all employee benefits are paid from the General Fund in the

respective department where salaries are paid.

Estimate: In formal budgetary terms, to estimate refers to the amount of anticipated

revenue in any part of the budget. The expenditure budget is appropriated

based on estimated revenue.

Excise Tax:

- A vehicle excise tax is collected from the rental of vehicles in the City.
 This excise tax is part of personal property tax collections and is distributed by the county clerk.
- 2) A development excise tax is collected with building permits for future roadway maintenance.
- 3) A motor fuel excise tax is collected by merchants and remitted to the State of Kansas, which, in turn, distributes to the City. It is a revenue source for the Special Highway Fund.

Expenditure:

A deduction from budget. This is distinct from "expense," which is a deduction from cash.

Fiduciary:

Pertaining to public trust or confidence for money.

Fire Surcharge:

Flat surcharge of \$3.00 assessed to all utility accounts for fire equipment and capital expenses.

Fire Capital Reserve Fund:

Provides for improvements to the fire station as well as lease payments for fire equipment and vehicles. Funding is provided by the debt surcharge assessed on City utility bills.

Franchise Fees:

These are collected from utility companies doing business and using infrastructure in town: Leavenworth-Jefferson Electric, WOW cable, Westar Energy, Southwestern Bell, and Kansas Gas. Revenue is approximately \$241,000 annually and recognized in the General Fund.

General Fund:

This is a distinct fund of City accounts that pays employees and is the primary budget account for municipal services. Major revenues come from taxes, charges, fees, permits, fines, and grants.

Law Enforcement Trust Fund:

Established by Section 10-301 of the City Code, the Law Enforcement Trust Fund uses revenue from police forfeitures to make additional purchases for the purpose of combating drug-related crimes in the City.

Library Operations Fund:

A pass-through City account fund that recognizes ad-valorem taxes that contribute to the cost of operations for the municipal library.

Local Use Tax:

This is sales tax collected by out-of-state retailers and remitted back into the state of Kansas where the product is used, stored, or consumed.

Personal Property Taxes:

Includes taxes on motor vehicles (98%), recreational vehicles (1%), and large trucks (1%). These revenues are recognized to the General Fund (55%), Library Fund (20%), and Debt Service Fund (25%).

Pet Licenses: Dogs and cats within the city limits are required to be registered with the

City and receive a pet license for a fee of \$15 for non-sterilized and \$10 for sterilized dogs and cats. These fees are waived for "seeing eye" or "hearing" dogs, companion animals for the physically impaired, and government-

owned animals. Fees are deposited in the General Fund.

Planning & Zoning Fees: These fees are assessed to those submitting an application for review by the

Planning Commission or the Board of Zoning Appeals, such as a request for

zoning change, site plans, platting, lot split, etc.

Police Capital Reserve

Fund:

A distinct fund of City accounts for equipment purchases of the police department. Ten dollars from every court fine conviction is dedicated to this

fund.

Policy: A rule or set of rules that is formally adopted by an authoritative body. It

states desired values and goals.

Sales Tax - County: 1.0% tax collected by the State on sales in Leavenworth County and

distributed to each jurisdiction by population and is designated for capital

expenditures.

Sales Tax - City: 1.0% tax collected by local merchants and returned by the State. This

revenue is deposited in the General Fund. Another 0.75% is collected and dedicated solely for debt service on the Water Park. The Water Park sales

tax was approved by the voters and will terminate in 2017.

Sanitation Fund: A distinct fund of City accounts where payments of \$15.00 monthly for

curbside trash collection are recognized. Expenditures include City staff

salaries and payments to a private waste hauling company.

Sewer Capital Reserve

Fund:

A distinct fund of City accounts for sewer infrastructure repairs. Revenue is provided by sewer taps, inspections for new developments, and operating

fund transfers.

Sewer Operations Fund: A distinct fund of City accounts that provides for the expenditures of the

City wastewater operations. Revenue comes from service charges.

Special Assessments: Special assessments are non-regular property taxes for public improvement

projects such as streets, sewers, and waterlines that are paid by the property owners who will benefit from the improvements. Tonganoxie currently has one area special assessment issued on improvements to the downtown corridor on 4th Street. The assessment is set to expire in 2021. Other special assessments may result from nuisance abatement and

condemnation costs.

Special Parks Fund: Provides funding for maintenance and improvements of City parkland.

Funding is provided by the alcohol tax.

Transient Guest Tax

Fund:

Provides discretionary spending for the governing body for economic development and tourism purposes. Funding is provided by the Transient

Guest Tax collected by the state.

Transient Guest Tax: A 4.0% tax levied on all hotel/motel overnight stays in the City. The revenue

is designated for economic development and tourism purposes.

Unreserved Fund

Balance:

Cash of a single fund for which no spending authority has been formally assigned. This is also known as the "unappropriated fund balance."

Water Capital Reserve

Fund:

Provides reserve funding for water infrastructure repairs. Revenue is

provided by water tap fees and cell tower lease payments.

Water Operations Fund: A distinct fund of City accounts for the operation of the City water plant.

Revenue is provided through service charges.

Water Park Sales Tax

Fund:

A fund of City accounts that is used to record the water park sales tax for

the payment of debt service on the Water Park.
