August 9, 2017

Mayor Ward and Members of the City Council:

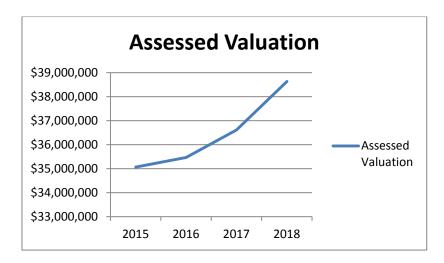

It is my pleasure to present the adopted 2018 City of Tonganoxie budget, which was approved by the City Council on August 7, 2017. This budget document communicates the City's plan for continuing to deliver high-quality city services at a reasonable cost to Tonganoxie tax payers.

#### **Economic Environment**

In order to adopt the 2018 budget, the City Council must first hold a public hearing to allow any citizen to provide comment on the proposed budget. Once concluding the public hearing, the City Council will need to approve Resolution 08-17-01, which expresses the property taxation policy of the City of Tonganoxie. The resolution is required by state statute because the tax levy exceeds the amount levied in 2017, even when accounting for the consumer price index rolling average, due to the increase in the Library Employee Benefits fund mill rate. A publication of the vote totals on the property tax levy will also be published in the Tonganoxie Mirror on August 16, 2017, as required by state statute. Once the resolution is approved, the City Council will need to make a motion to adopt the 2017 budget as presented and set the property tax levy.

In preparation for the 2018 budget, the City Council convened for three budget work sessions and two regular meetings. The total planned budget for all funds in 2018 is \$8,107,253, which is an increase of 4% for 2018. The total property tax levy is \$1,744,047, which is an increase of 6% over the tax levy in 2017.

The City's Assessed Valuation increased by approximately 5.5% to \$38,633,210, which brings the value of 1 Mill to \$38,633.

#### **Budget Overview**

The 2018 budget includes the following:

• The tax levy for all city funds remains flat; the library employee benefits fund tax levy increased 0.301 mills

- A 3% increase to water and sewer rates; a 3% increase to both water and sewer equates to a
  monthly increase of \$1.75 for a customer who uses 4,000 gallons of water in one month (average
  user).
- A stormwater fee in the amount of \$1.50 for residential customers and \$3.00 for commercial customers.
- Merit increases for all full-time employees.
- A revised compensation plan, based on a compensation survey comparison of other cities in the
  area, which would give some employees one-time adjustments to be brought up to the minimum
  in their new pay range.
- Continued funding of the plan developed in 2017 to prepare for the County Road 1 balloon payment in 2019.
- Continued preservation of 15% cash reserves in the General Fund and 30% cash reserves in Utility Funds.

Additionally, on February 28, 2017 a ballot question regarding a proposed 0.75% sales tax initiative was approved by voters, with a 64% approval rate. The sales tax add-on is expected to generate \$405,000 in 2018, and will be used to address the following initiatives, as identified in the ballot language: construction of a new library, construction of new capital improvements, maintaining new and current infrastructure, and funding debt issued for capital improvements.

A total of \$1.5M in budget requests was submitted by Departments organization wide. Some large initiatives were not able to be funded, including additional personnel in Administration and Police, purchasing technology for Police vehicles, and switching Public safety personnel from KPERs pension funding to KP&F pension funding.

However, the 2018 budget was able to accommodate \$1M of the budget requests, and those items are listed below:

| • | Municipal Court and Building Permits Software  | \$10,000 |
|---|--|----------|
| • | Citizen's Academy                              | \$2,000  |

| • | Public Works Replacement of 2005 Truck                       | \$30,000  |
| • | Public Works Water Tower Inspection/Painting                 | \$40,000  |
| • | Public Works Sewer Line Rehab Program                        | \$60,000  |
| • | All Departments – Merit Increases                            | \$83,633  |

#### Conclusion

The City of Tonganoxie takes great pride in being a lean organization. We have a small, yet committed workforce, which works diligently to meet and exceed the initiatives as set forth in the Strategic Plan. We see these efforts manifested daily in the quality of infrastructure, safety of the community, and the level of customer service provided.

While it is imperative that we continue to see the residential growth of recent years, it is equally critical to revitalize our downtown core, promote development along the 24/40 corridor and to attract quality development within the Business Park. It is this diversified growth, which yields a diversified tax base, that will ensure a sustainable growth and financial model for the City of Tonganoxie.

I would like to thank the Mayor, City Council members, and City staff for the strong partnership that will allow us to achieve these goals.

Respectfully submitted,

George Brajkovic City Manager

Included in the adopted 2018 administration budget is an increase for employee merit increases and an increase in health insurance premiums. The 2018 budget also includes an adjustment to the City's compensation plan, which provides for one-time increases for certain employees to bring them up to the minimum of their new pay range in the revised compensation plan. Other additions to the administration budget for 2018 include \$10,000 for new municipal court and building permits software and a \$2,000 allocation to begin funding for an annual Citizen's Academy. Also included in the administration budget is many of the professional services that the city contracts out each year, including legal services, city prosecutor, auditing services, payroll services, city planning, animal control, information technology, city engineering, and probation services.

#### **Budget Considerations**

Included in the 2018 Fire Department budget is an increase for employee merit raises and an increase in health insurance premiums. The 2018 budget also includes an adjustment to the City's compensation plan, which provides for one-time increases for certain employees to bring them up to the minimum of their new pay range in the revised compensation plan. Other additions to the fire department budget for 2018 include an additional \$5,000 for medical and drug supplies in order to supply epi pens on department equipment. The budget also includes an increased allocation of \$10,000 for part-time salaries. The 2018 budget also includes a \$75,000 annual debt service payment to pay for a new fire engine pumper, which has an estimated total cost of \$550,000. This \$75,000 debt payment will be paid for out of the Fire Equipment Fund for a period of 10 years, but the budgeted allocation is shown on the Debt Service page and not in the Fire Department's operating budget. The 2018 budget also includes the continued allocation of \$10,000 per year to replace Personal Protective Equipment (PPE), to be paid for out of the Equipment fund.

Regarding future considerations, the Fire Department outlined in the 2018 budget process the need for additional staff positions in future budget years, including an operations/training chief and a fire marshal within the next two years. Regarding capital needs, the Fire Department projects the need for building renovations, a staff vehicle, a new ladder truck, mobile radios, hoses and nozzles, extrications, lifting bags, and vehicle mobile data terminals within the next couple of years.

#### **Police Department**

The police department employs a fully trained and accredited law enforcement team for the overall service to and safety of the citizens of Tonganoxie.

#### **Budget Considerations**

Included in the 2018 Police Department budget is an increase for employee merit raises and an increase in health insurance premiums. The 2018 budget also includes an adjustment to the City's compensation plan, which provides for one-time increases for certain employees to bring them up to the minimum of their new pay range in the revised compensation plan. Other additions to the police department budget for 2018 include an additional \$5,000 for operating supplies, which will be used to pay for the costs of ammunition. Additionally, the police department received an allocation of \$11,000 in 2018 to reclassify one of the department's three sergeant positions to a second lieutenant position. The continued funding of \$33,000 for the police vehicle replacement program is also included in the 2018 budget.

Regarding future considerations, KP&F retirement remains the top priority for the police department in future budget years. Due to the rising costs of KP&F, the additional cost of ~\$130,000 per year could not be allocated in the 2018 budget without raising property taxes or eliminating existing positions or programs. Other priorities for future budget years include adding a full-time civilian employee, creating a master patrol officer position, and upgrading the technology in the police vehicles.

#### **Public Works Department**

The Public Works Department provides overall care of municipal infrastructure, buildings, and equipment as well as operating the water treatment facility and the wastewater treatment plant.

#### **Budget Considerations**

Included in the 2018 Public Works Department budget is an increase for employee merit raises and an increase in health insurance premiums. The 2018 budget also includes an adjustment to the City's compensation plan. Other additions to the public works department budget for 2018 include a new dump truck with plow, which will be paid for out of all of the city's utility funds. Also included is an increased allocation of \$150,000 for street maintenance, which will be paid for through infrastructure sales tax revenue. Remaining allocations include an increase of \$18,000 for maintenance at the wastewater plant, \$22,000 for an alarm/monitoring system and variable frequency drive at the water plant, a \$10,000 increase to the pool maintenance budget, \$40,000 for water tower inspection/painting, and \$60,000 for a sewer line rehab program.

Regarding future considerations, Public Works outlined numerous capital needs for future years during the 2018 budget process. These needs include the replacement of vehicles, a hydraulic mower attachment, interceptor sewer, water tower inspection, a water tower at the industrial park, and mower replacement.

#### **Budget Considerations**

Included in the 2018 Water Park budget is an increase in maintenance services in the amount of \$10,000. Additionally, \$2,500 has been allocated for a new lifeguard chair.

#### Library

The budget for the Tonganoxie Library is made up in part by ad valorem taxes. To set the property tax rate, the Library Board makes a mill levy recommendation to the City Council, and the City Council considers approval of the recommendation under its tax levying authority when setting the property tax levy each year. City ordinance states that the library general fund mill rate cannot be set higher than 5.95 mills, while the employee benefits fund does not have a maximum mill rate set by city ordinance.

#### **Budget Considerations**

The 2018 library budget anticipates receiving a total of \$393,500 in ad valorem tax revenue. Of this total, \$343,400 is anticipated to be collected in the library general fund and \$50,100 is anticipated to be collected in the library employee benefits fund. The city receives this money along with its own ad valorem tax revenue, and then remits the library's portion to them via check.

The library employees are also covered under the city's health, vision, dental, and life insurance coverage, as well as the City's liability insurance coverage. The library reimburses the city for these premium costs on a monthly basis.

#### **Debt Service**

Items listed on this page require annual debt service payments from the overall budget and are reported separately from the operational pages of the departments.

#### City of Tonganoxie 2018 Adopted Budget Glossary

**Ad Valorem Taxes:** Real estate property taxes collected by the county. These revenues are

recognized in the General Fund (27.566 mills) for general municipal operations, the Library Fund (7.860 mills) for general library operations, and the Debt, Bond, and Interest Fund (9.718 mills) for municipal debt

payments.

**Alcohol Tax:** This tax is remitted by merchants to the state on the sales of packaged

alcohol, beer, and wine. Funds are allocated based on population state-wide and distributed quarterly. Half is deposited in the Special Parks Fund and half is deposited in the Special Parks and Recreation Fund for improvements

to City parkland.

**Appropriation:** The official act of authorizing a budget or part of a budget.

**Capital Projects Fund:** A distinct fund of City accounts that is dedicated to capital improvement

projects, including debt service for capital improvements. The county sales

tax provides the revenue for this fund.

**Capital Reserve Fund:** This fund provides reserve funding for any capital work. Funding is provided

by special receipts and transfers from other funds.

**Debt Service Charge:** A monthly surcharge of \$9.50 on all municipal utility accounts to assist in

covering the debt payments on utility infrastructure improvements.

**Debt, Bond & Interest** 

Fund:

This fund covers the payment of general obligation debt, lease payments for

City vehicles and equipment and the City's commitment to inter-local agreements with the Wholesale Water District no. 6 and Leavenworth County. Ad-valorem taxes provide the sole revenue for this fund.

**Employee Benefits Fund:** This is a distinct fund of City accounts that consolidates the employer's

payment share of insurance benefits, payroll taxes, and workman's

compensation payments. Effective FY 2014, the Employee Benefits Fund is defunded and all employee benefits are paid from the General Fund in the

respective department where salaries are paid.

**Estimate:** In formal budgetary terms, to estimate refers to the amount of anticipated

revenue in any part of the budget. The expenditure budget is appropriated

based on estimated revenue.

**Excise Tax:** 

- A vehicle excise tax is collected from the rental of vehicles in the City.
   This excise tax is part of personal property tax collections and is distributed by the county clerk.
- 2) A development excise tax is collected with building permits for future roadway maintenance.
- 3) A motor fuel excise tax is collected by merchants and remitted to the State of Kansas, which, in turn, distributes to the City. It is a revenue source for the Special Highway Fund.

**Expenditure:** 

A deduction from budget. This is distinct from "expense," which is a deduction from cash.

**Fiduciary:** 

Pertaining to public trust or confidence for money.

Fire Surcharge:

Flat surcharge of \$3.00 assessed to all utility accounts for fire equipment and capital expenses.

Fire Capital Reserve

Fund:

Provides for improvements to the fire station as well as lease payments for fire equipment and vehicles. Funding is provided by the debt surcharge assessed on City utility bills.

**Franchise Fees:** 

These are collected from utility companies doing business and using infrastructure in town: Leavenworth-Jefferson Electric, WOW cable, Westar Energy, Southwestern Bell, and Kansas Gas. Revenue is recognized in the General Fund.

**General Fund:** 

This is a distinct fund of City accounts that pays employees and is the primary budget account for municipal services. Major revenues come from taxes, charges, fees, permits, fines, and grants.

Law Enforcement Trust Fund:

Established by Section 10-301 of the City Code, the Law Enforcement Trust Fund uses revenue from police forfeitures to make additional purchases for the purpose of combating drug-related crimes in the City.

**Library Operations Fund:** 

A pass-through City account fund that recognizes ad-valorem taxes that contribute to the cost of operations for the municipal library.

**Local Use Tax:** 

This is sales tax collected by out-of-state retailers and remitted back into the state of Kansas where the product is used, stored, or consumed.

**Personal Property Taxes:** 

Includes taxes on motor vehicles (98%), recreational vehicles (1%), and large trucks (1%). These revenues are recognized to the General Fund (55%), Library Fund (20%), and Debt Service Fund (25%).

**Pet Licenses:** Dogs and cats within the city limits are required to be registered with the

City and receive a pet license for a fee of \$15 for non-sterilized and \$10 for sterilized dogs and cats. These fees are waived for "seeing eye" or "hearing" dogs, companion animals for the physically impaired, and government-

owned animals. Fees are deposited in the General Fund.

**Planning & Zoning Fees:** These fees are assessed to those submitting an application for review by the

Planning Commission or the Board of Zoning Appeals, such as a request for

zoning change, site plans, platting, lot split, etc.

**Police Capital Reserve** 

Fund:

A distinct fund of City accounts for equipment purchases of the police department. \$10 from every court case conviction is dedicated to this

fund.

**Policy:** A rule or set of rules that is formally adopted by an authoritative body. It

states desired values and goals.

**Sales Tax - County:** 1.0% tax collected by the State on sales in Leavenworth County and

distributed to each jurisdiction based on population which is designated

for capital expenditures.

**Sales Tax - City:** 1.0% tax collected by local merchants and returned by the State. This

revenue is deposited in the General Fund. The collection of an additional 0.75% sales tax dedicated solely for debt service on the Water Park terminated in 2017 and was approved by voters in February 2017 to be replaced by collections for a new library and other infrastructure

improvements.

**Sanitation Fund:** A distinct fund of City accounts where payments of \$15.00 monthly for

curbside trash collection are recognized. Expenditures include City staff

salaries and payments to a private waste hauling company.

**Sewer Capital Reserve** 

Fund:

A distinct fund of City accounts for sewer infrastructure repairs. Revenue is provided by sewer taps, inspections for new developments, and operating

fund transfers.

**Sewer Operations Fund:** A distinct fund of City accounts that provides for the expenditures of the

City wastewater operations. Revenue comes from service charges.

**Special Assessments:** Special assessments are non-regular property taxes for public improvement

projects such as streets, sewers, and waterlines that are paid by the property owners who will benefit from the improvements. Tonganoxie currently has one area special assessment issued on improvements to the downtown corridor on 4th Street. The assessment is set to expire in 2021. Other special assessments may result from nuisance abatement and

condemnation costs.

**Special Parks Fund:** Provides funding for maintenance and improvements of City parkland.

Funding is provided by the alcohol tax.

**Transient Guest Tax** 

Fund:

Provides discretionary spending for the governing body for economic development and tourism purposes. Funding is provided by the Transient

Guest Tax collected by the state.

**Transient Guest Tax:** A 4.0% tax levied on all hotel/motel overnight stays in the City. The revenue

is designated for economic development and tourism purposes.

**Unreserved Fund** 

**Balance:** 

Cash of a single fund for which no spending authority has been formally assigned. This is also known as the "unappropriated fund balance."

**Water Capital Reserve** 

Fund:

Provides reserve funding for water infrastructure repairs. Revenue is

provided by water tap fees and cell tower lease payments.

**Water Operations Fund:** A distinct fund of City accounts for the operation of the City water plant.

Revenue is provided through service charges.

**Infrastructure Sales** 

Tax Fund:

Previously known as the Water Park Fund, this fund includes City accounts that are used to record the sales tax collections approved by voters in February 2017 for a new library and other infrastructure

improvements.
