INDEPENDENT AUDITORS' REPORT

To the Mayor and City Council
City of Tonganoxie, Kansas

Adverse and Unmodified Opinions

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the City of Tonganoxie, Kansas (the City) as of and for the year ended December 31, 2022 and the related notes to the financial statement.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City as of December 31, 2022, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the City as of December 31, 2022, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide (KMAAG) described in Note 2.

Basis for Adverse and Unmodified Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the KMAAG. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles

As discussed in Note 2 of the financial statement, the financial statement is prepared by the City on the basis of the financial reporting provisions of the KMAAG, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

An Independently Owned Member, RSM US Alliance

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the KMAAG as described in Note 2; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the summary statement of regulatory basis receipts, expenditures, and unencumbered cash (the basic financial statement) as a whole. The schedules listed under supplementary information in the accompanying table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statement, however, are required to be presented under the provisions of the KMAAG. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 2.

CITY OF TONGANOXIE, KANSAS
NOTES TO FINANCIAL STATEMENT
December 31, 2022

1 - Municipal Financial Reporting Entity

The City of Tonganoxie, Kansas (the City) is a municipal corporation governed by an elected mayor and five-member council. The basic financial statement presents the City as the primary government and excludes all related municipal entities for which the City appointed a voting majority of the unit's board and the City is either able to impose its will on the unit or a financial benefit or burden relationship exists. The financial statement of the City consists only of the funds of the primary government.

The Tonganoxie Public Library (the Library) serves the citizens within the City's jurisdiction. Acquisition or disposition of real property by the Library must be approved by the City. Bond issues must be approved by the City. The Library is not included in the report of the primary government. Financial statements for the Library may be obtained at the Library's office in Tonganoxie, Kansas.

2 - Summary of Significant Accounting Policies

(a) Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America

The *Kansas Municipal Audit and Accounting Guide* (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities, or deferred inflows or outflows, other than those mentioned above.

The City has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the City to use the regulatory basis of accounting.

(b) Regulatory Basis Fund Types

A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

The following regulatory basis fund types comprise the financial activities of the City for the year ended December 31, 2022:

General fund - the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

CITY OF TONGANOXIE, KANSAS
NOTES TO FINANCIAL STATEMENT
(Continued)

Special purpose funds - used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than capital projects and tax levies for long-term debt) that are intended for specified purposes.

Bond and interest fund - used to account for the accumulation of resources, including tax levies, transfers from other funds, and payment of general long-term debt.

Capital projects funds - used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

Business funds - financed in whole or in part by fees charged to users of the goods or services.

Agency funds - used to report assets held by the City in a purely custodial capacity.

(c) Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), the bond and interest fund, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding year on or before August 1st.
2. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on budget.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

If the City is holding a revenue neutral rate hearing, the budget timeline for adoption of the final budget has been adjusted to on or before September 20th. The City did hold a revenue neutral rate hearing for the 2022 budget.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held, and the governing body may amend the budget at that time. The Water Operations, Sewer Operations, and Capital Projects Funds were amended in 2022.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances. Encumbrances are commitments by the City for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused

CITY OF TONGANOXIE, KANSAS
NOTES TO FINANCIAL STATEMENT
(Continued)

budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for the capital project funds, agency funds or the following special purpose and business funds:

Police Equipment Reserve Fund	Capital Reserve Fund
Fire Equipment Reserve Fund	Water Capital Improvement Fund
Law Enforcement Trust Fund	Sewer Capital Improvement Fund
Infrastructure Sales Tax Fund	CDBG-CV Grant Fund
Debt Proceeds Fund	Rural Housing Incentive District Fund
Gallagher Park Fund	American Rescue Plan Act Grant Fund
Festival/Event Fund	Moderate Income Housing Grant Fund
Industrial Park Development Fund	

Spending in funds which are not subject to the legal annual operating budget requirements are controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

(d) Annual Personal and Sick Leave Benefits

It is the City's policy to permit employees to earn non-cumulative vacation at different intervals based on length of service. The liability for compensated vacation time at December 31, 2022 is approximately \$ 169,000. Sick leave accrues at 12 days per year and accumulates to a maximum of 90 days. No liability is reported for unpaid accumulated sick leave. Floating holiday is 8 hours of vacation pay per year that is assigned January 1 to all full-time employees with a use it or lose it policy over the year.

(e) Inventories and Prepaid Expenses

Inventories and prepaid expenses which benefit future periods are recorded as an expenditure during the year of purchase.

(f) Use of Estimates

The preparation of the financial statement in compliance with the regulatory basis requires management to make estimates and assumptions that affect the reported amounts of encumbrances at the date of the financial statement and the reported amounts of expenditures during the reporting period. Actual results could differ from those estimates.

3 - Deposits and Investments

Deposits. K.S.A. 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the bank to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

CITY OF TONGANOXIE, KANSAS
 NOTES TO FINANCIAL STATEMENT
 (Continued)

Investments. K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool (KMIP). The City has no investment policy that would further limit its investment choices.

Some of the City's investments are of bond proceeds invested pursuant to K.S.A. 10-131. This statute allows additional investment authority beyond that of K.S.A. 12-1675. Investments of bond proceeds may follow K.S.A. 12-1675 or include other investments such as the KMIP, direct obligations of the U.S. government or any agency thereof, and various other investments as specified in K.S.A. 10-131.

At December 31, 2022, the City had the following investments:

Investment Type	Fair Value	Rating	Investment Maturities (in Years)
Kansas Municipal Investment Pool	<u>\$ 3,177,933</u>	Not Rated	Less than a year

The KMIP is under the oversight of the Pooled Money Investment Board (the Board). The Board is comprised of the State Treasurer and four additional members appointed by the State Governor. The Board reports annually to the Kansas legislature. State pooled monies may be invested in direct obligations of, or obligations that are insured as to principal and interest, by the U.S. government or any agency thereof, with maturities up to four years. No more than ten percent of those funds may be invested in mortgage-backed securities. In addition, the State pool may invest in repurchase agreements with Kansas banks or with primary government securities dealers. The City's investment in the KMIP was not rated by a rating agency as of December 31, 2022.

Concentration of credit risk. State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405. The City's investments were composed of KMIP deposits as of December 31, 2022.

Custodial credit risk - deposits. Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. Kansas statutes require the deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City or the Federal Home Loan Bank of Topeka.

At December 31, 2022, the City's carrying amount of deposits was \$ 7,990,944, and the bank balance was \$ 8,075,876. Of the bank balance, \$ 250,000 was covered by federal depository insurance, and the remaining \$ 7,825,876 was collateralized with securities held by the pledging financial institutions' agents in the City's name.

Custodial credit risk - investments. For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured. At December 31, 2022, the City's investments were not exposed to custodial credit risk.

CITY OF TONGANOXIE, KANSAS
NOTES TO FINANCIAL STATEMENT
(Continued)

4 - Long-Term Debt

General Obligation Bonds

The City issues general obligation bonds to provide funds for the acquisition and construction of major capital facilities.

Refunding Bonds

During the year ended December 31, 2022, the City issued general obligation bonds series 2022B to purchase securities to currently refund general obligation bond series 2013A. The transaction resulted in an economic gain of approximately \$ 70,000 and a reduction of approximately \$ 76,000 in future debt service payments.

Finance Leases

The City has entered into lease agreements as the lessee for financing the acquisition of equipment.

Infrastructure sales tax	Special highway	K.S.A. 12-825d	169,999
Infrastructure sales tax	Capital projects	K.S.A. 12-825d	74,099

6 - Defined Benefit Pension Plan

General Information about the Plan

Plan Description. The City participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Annual Comprehensive Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 South Kansas Avenue, Suite 100, Topeka, Kansas 66603) or by calling 1-888-275-5737.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2, or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6.00% of covered salary for KPERS 1, KPERS 2, and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2, and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.90% for the fiscal year ended December 31, 2022. Contributions to the pension plan from the City were \$ 215,098 for the year ended December 31, 2022.

CITY OF TONGANOXIE, KANSAS
NOTES TO FINANCIAL STATEMENT
(Continued)

Net Pension Liability

At December 31, 2022, the City's proportionate share of the collective net pension liability reported by KPERS was \$ 2,238,558. The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2021, which was rolled forward to June 30, 2022. The City's proportion of the net pension liability was based on the ratio of the City's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

7 - Other Post-Employment Benefits

As provided by K.S.A. 12-5040, the City allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the City is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in the basic financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

Death and Disability Other Post-Employment Benefits

As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Reimbursement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended December 31, 2022.

8 - Commitments and Contingencies

The City receives significant financial assistance from numerous federal and state governmental agencies in the form of grants and state pass-through aid. The disbursements of funds received under these programs generally require compliance with terms and conditions specified in the grant agreements and are subject to audit. Any disallowed claims resulting from such audits could become a liability of the General Fund or other applicable funds. However, in the opinion of management, any such disallowed claims will not have a material effect on the basic financial statement as of December 31, 2022.

CITY OF TONGANOXIE, KANSAS
NOTES TO FINANCIAL STATEMENT
(Continued)

Project authorizations compared with expenditures-to-date for significant projects open at year-end are as follows:

	Expenditures to Date	Project Authorization
Projects in process:		
Microsurfacing Project (Pavement Management, LLC)	\$ 137,588	\$ 137,588
Curb Replacement Project (Phoenix Concrete, LLC)	169,616	169,616
Water Park Slides & Elevated Surfaces Resurfacing Project (SlideRite Inc.)	74,500	74,500
Water Tower Construction Project (Caldwell Tanks, Inc.)	1,067,301	3,299,000
Church Street Bridge Replacement Project (Linaweaver Construction)	-	620,546
2022 (December) Water Meter Equipment Replacement Project (Olathe WinWater)	196,830	196,830
2022 Business Park Looped Water Line (Olathe WinWater)	85,771	85,996
2023 Waste Water Treatment Plant (WWTP) Improvements Project (Design Engineering Contract with BG Consultants)	-	967,100

9 - Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters for which it carries commercial insurance. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years. There have not been significant reductions in coverage from prior years.

10 - Subsequent Event

Subsequent events have been evaluated for the City through the date of the independent auditors' report, which is the date the financial statement was available to be issued.

The City issued General Obligation Renewal Temporary Notes Series 2023A in February 2023. The Series 2023A Notes in the amount of \$ 2,380,000 bear interest at 2.95% with semi-annual interest payments beginning February 2023 through the maturity date of March 2025.
